Letter of Intent Between Mary Lou Fulton Teachers College at Arizona State University and Seoul National University of Education

This Letter of Intent proposes to outline a commitment to develop a cooperative agreement between Arizona State University's Mary Lou Fulton Teachers College and Seoul National University of Education.

Both institutions desire to jointly develop educational programs and potentially research activities for the benefit of each organization. Possible collaboration areas include knowledge, academic, and learning enterprise.

Both organizations agree to develop a joint agreement outlining the obligations of each institution as the collaborations are clarified. This letter of intent does not constitute or create, and shall not be deemed to constitute or create, any legally binding or enforceable obligation on the part of either party to this letter of intent.

No such obligation shall be created, except by the execution and delivery of the cooperative agreement containing such terms and conditions of the proposed cooperative as shall be agreed upon by the parties, and then only under the terms and conditions of such cooperative agreement.

We look forward to working together to jointly develop a mutually agreeable cooperative agreement.
