

**Academic Exchange Agreement
between
Seoul National University of Education, Korea
and
Henan Normal University, China**

1. PURPOSE

On the basis of the principles of mutual respect, equal benefits, and favorable cooperation, Seoul National University of Education and Henan Normal University agree to sign this agreement in order to establish mutual cooperation in academic activities, to promote teacher's training with international prospective, and to facilitate academic and cultural exchange.

2. ITEMS OF ACADEMIC EXCHANGE

Academic exchange programs between both universities can be achieved through:

- 2.1 Exchange of the faculty members.
- 2.2 Exchange of undergraduate students and graduate students.
- 2.3 Sharing of academic results of both sides.
- 2.4 Exchange of related academic journals and publications of both sides.
- 2.5 Cooperation of research projects in education.
- 2.6 Exchange of other cultural and educational activities.

3. WAY OF IMPLEMENTATION

- 3.1 Both universities should appoint responsible members to be in charge of academic exchange programs.
- 3.2 Responsible members in question refer to those who are able to provide any related information for facilitating academic exchange programs.
- 3.3 Academic exchange programs based on this agreement refer to programs signed according to the memorandum or individual cooperative programs signed according to negotiated agreement in advance.

4. EXCHANGE EXPENSE ARRANGEMENT

- 4.1 The faculty and students of the visiting institution should burden their own exchange expense, but they can ask the hosting institution to provide subsidy.
- 4.2 Sharing the academic results and exchanging related academic journals to the other party, the providers should burden the expense.
- 4.3 Expenses of cooperative research projects and cultural and educational activities will be set in individual agreement.

5. VALIDITY OF THE AGREEMENT

This agreement will be valid for five years from the moment of the representatives' signature. The amendment of the agreement should be agreed and done by both parties before its termination.

6. AMENDMENT OF THE AGREEMENT

The contents of the agreement can be amended with the agreement of both parties. The amendment of the agreement should be proposed before six months of the termination of the agreement and discussed by both parties.

7. CONSERVATION OF THE AGREEMENT

The Academic Agreement is written in Chinese, Korean and English respectively for two copies. Each party conserves one copy.
